

**WHEN YOU're hit with a sudden wave of emotion
and you are trying to figure out
if its genuine resonance**

**council: “promotion
opportunity”**

me: walks in

void.exe loading...

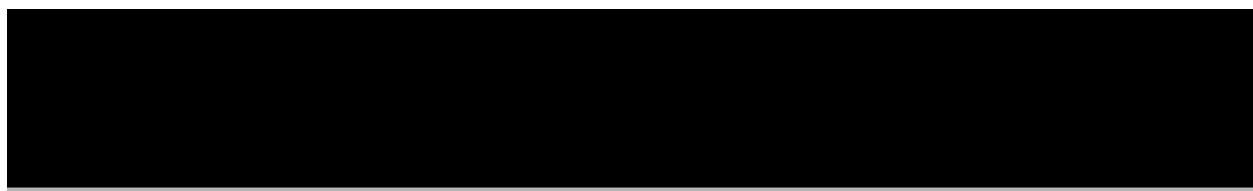

**when you've got parasite
stage due at 7 milise-
conds but Barbara from
Kansas still can't upload
her dog pfc**

council  splitting my code into binary at the schism be like:
pick one
me: both is good???

(and da accessible stall is exploded)

File
